FOREWORD

A hill is not too hard to climb,
Taken one step at a time.
One step is not too much to take,
One try is not too much to make.
One step, one try, one song, one smile,
Will shortly stretch into a mile.
And everything worth while was done
By small steps taken one by one.
To reach the goal you started for,
Take one step more--take one step more!

J. D. Freeman

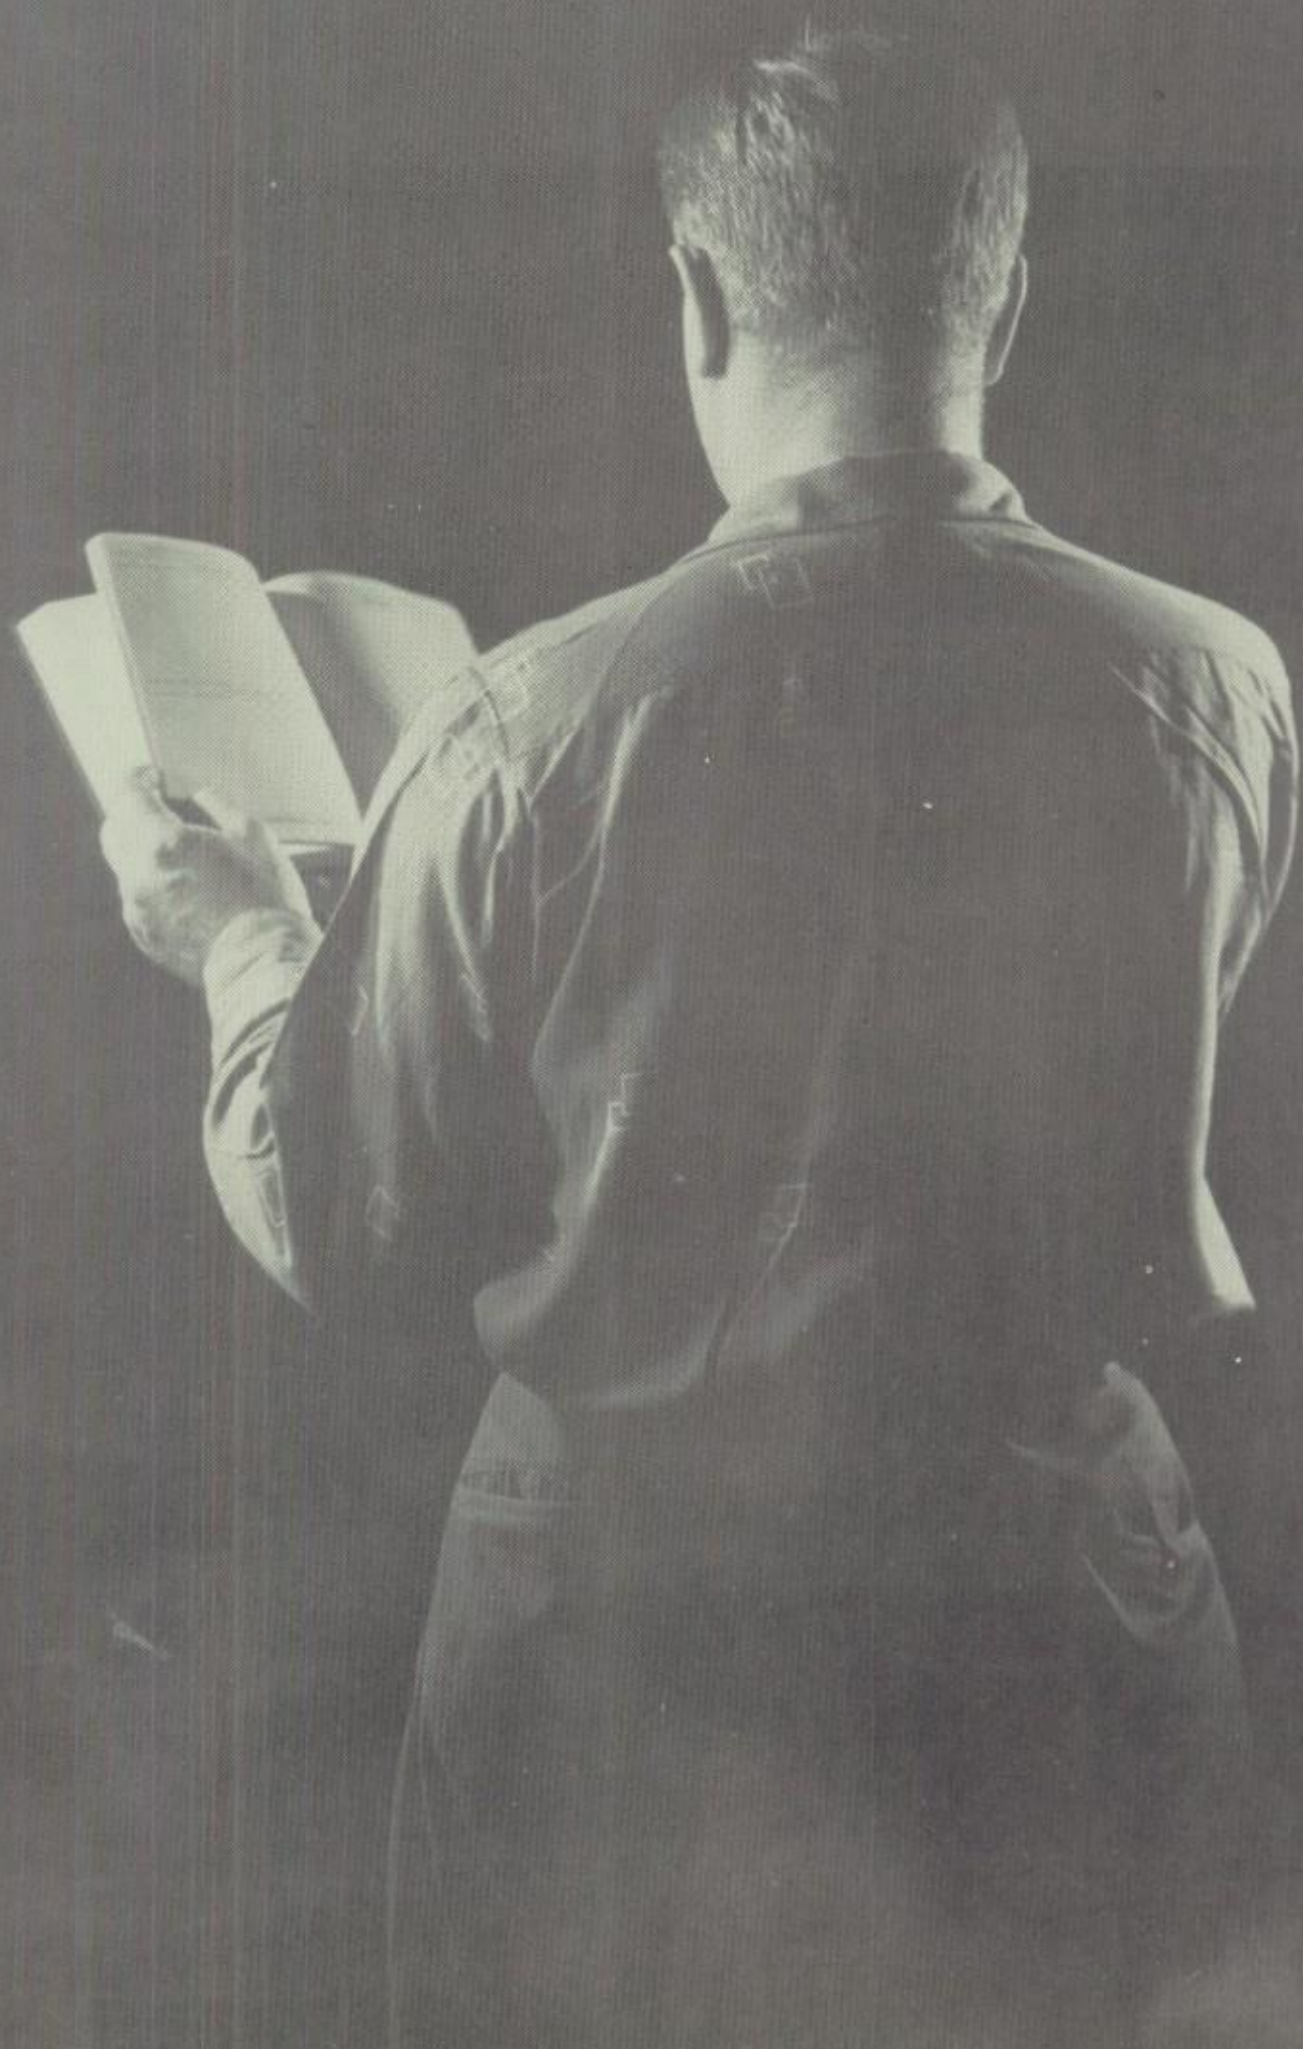

DEDICATION

Mrs. Eldien, the 1956 Co-Hi is yours. Yours for the time and effort you have put forth in guiding us throughout the years and for the sincerity with which you have served Cook High School for the past 8 years.

It is with gratitude and respect that we, the class of 1956, dedicate this yearbook to you.

PRESIDENT

VICE PRES.

SECRETARY

On September seventh we Sophomores wearily started our journey through the nine long months of school. We reported to our home room 203 and were surprised to see Mr. Fugina, our new advisor. The first thing we did was elect our class officers. For the executive seat we elected Mary, in case of her death her duties will be taken over by Dick. Norma became our Secretary, and Faye took over our financial problems.

As football season kicked around we were proud to have Andy, Dick, Ken, Wally, Vern, John, Gluey, and David representing our class on the team.

Most of the girls joined the F.T.A. and Byron, Keith, and Gluey are members of the F.F.A.

The chorus was well supported with most of us attending.

As basketball season rolled around Wally, Andy, Dick, Ken, Gluey, Norman, Keith, Vern, David, and John appeared as our stars. Leading the cheering were Mary and Ardyce. For the basketball homecoming Janice was chosen as our Lady-In-Waiting. She was escorted by our basketball star, Wally.

Our class led the sale of magazines with Ardyce as the top salesman. For our selling ability we were given a party.

Most of us joined the Square Dance Club and Mary was elected as the secretary-treasurer.

Ardyce, Keith, and Barbara Trygg represented our class in speech.

Though we've accomplished little we've had a lot of fun as Sophomores and are looking forward to becoming Juniors.

PRESIDENT

SEC.-TREAS.

VICE PRES.

G.O. REP.

On September 7, 1955 we (38 so-called summer vacationers) tramped in Mr. Fortun's home room, number 205. The first riot occurred when we chose class officers. We finally decided on the following: President, Doris Falk; Vice President, Donald Delich; Secretary-Treasurer, John Haryn; G.O. Representative Mickey Karni.

Most of our girls serve in F.T.A., under Mrs. Goehring's able leadership. We enjoy giving assistance to the elementary teachers who are thankful for a brief rest during their busy day. The girls also assist in the library, giving their valuable time to make it a better place in which to learn and study.

The singers in our class meet every Friday, to practice the songs our director, Mrs. Wurzel, would have us sing. A highlight in our musical training was a trip to Duluth, last fall, where we sang as a part of a large chorus.

Another event we can be, and are proud of is the fact that the majority of our boys tried out for football and basketball. The hazy autumn afternoons provided diversion from boring studies. Our boys came in from the field grimy, triumphant and happy (occasionally) that is. Later on basketball games gave us an opportunity to show good sportsmanship. Harlan, a "veteran" by now, serves our team as "water boy".

Another highlight of the year was when all of the Junior Cheerleaders came from our Freshman class. They were Hope, Shirley, Mary Lou and Beatrice, who did a fine job in leading the cheers.

Throughout our Freshman year, we've all had loads of fun, and let's hope there's more in store for us in our coming Sophomore year.

EIGHT A

First Row L to R: Mahnke, Fadum, Alango, Gruska, Doroff, Fortun, Harkonen. Second Row: Mrs. Leding, Enzmann, Carlson, McFarland, Evans, Aune, Johnson. Third Row: Bystrom, Boutto, Eldien, Agnew, Holter, Hanson. Fourth Row: Germ, Gordon, Finnilla, Johnson, Elbe, Flack, Beatty, DeRusha.

PRESIDENT

VICE PRES.

SECRETARY

TREASURER

G.O. REP.

We all came back to school griping and groaning that vacation was over, but when we reached our home room, and found Mrs. Leding as our home room teacher everyone began to smile.

At our first class meeting we elected Terry, president; Byron, vice president; Carol, secretary; Andy, treasurer (although we had no money); and Connie G.O. representative until she moved, then Ann took over the job. Our Red Cross representatives are Peggy and Tom.

Our newcomers this year are Peggy McFarland and Marilyn Mahnke.

Our class has participated in the Thanksgiving, Christmas, and Hospital Benefit programs.

Those who went to Coleraine for the Speech Festival were Ann, Connie, Judy, Terry, and Carol.

Our class has been studying Choral Reading under the leadership of Mrs. Wurzel.

Peggy got her poem entitled "My Castle" published in "Young America Sings".

We have one band member, Andy, who plays the trombone.

In Girl Scouts, Cheryl, Ann, and Peggy are working for their First-Class Badges.

The Boy Scouts, Terry, Byron, Leonard, Richard H., and Alden are working for their First-Class, Second-Class and Tender Foot Badges.

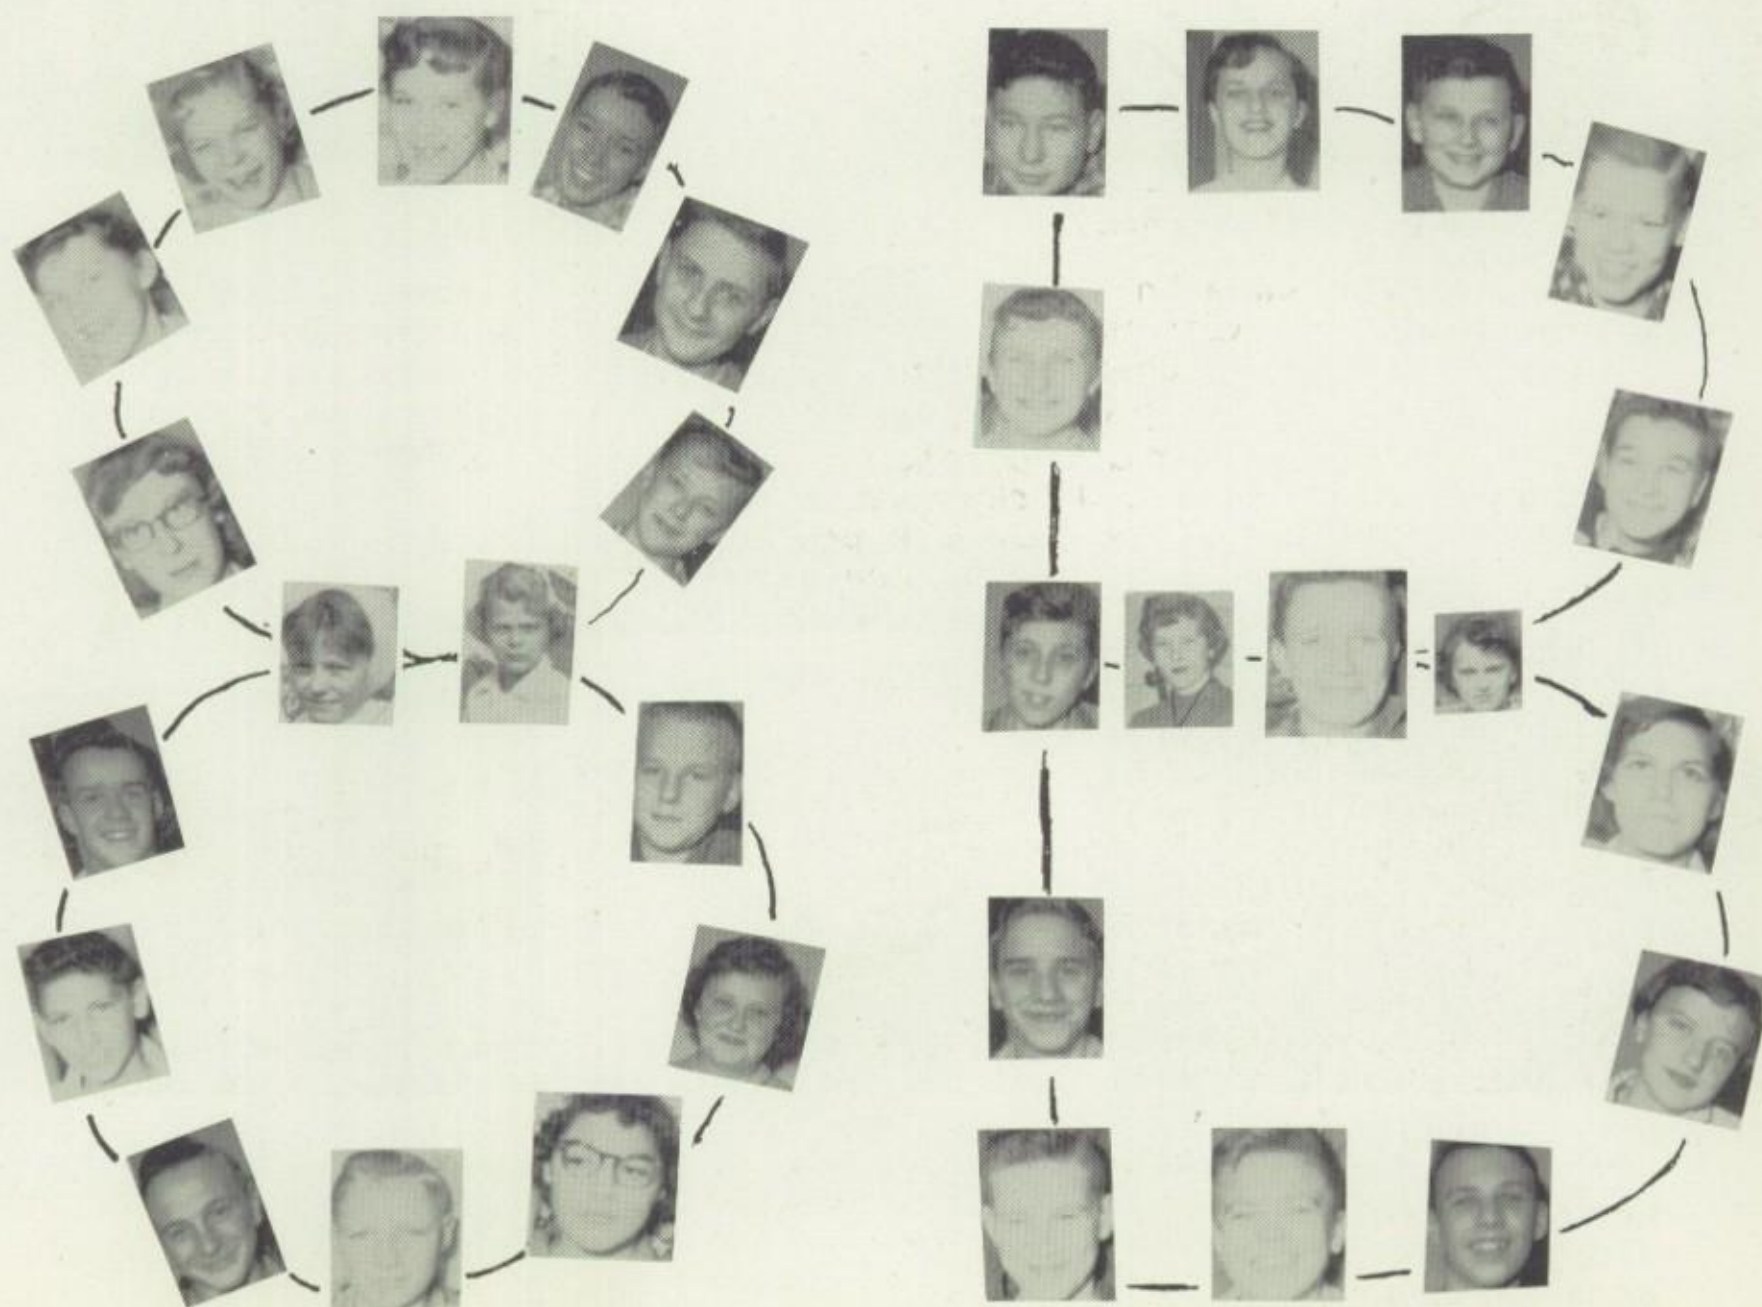

Our 4-H's are Tom, Lloyd, Gary A. and Carol.

We will not forget our eighth grade year and our dear teachers. We hope next year will be just as interesting and full of fun as this year was. "LOOK OUT NINTH GRADE, HERE WE COME."

School Safety Patrols have been functioning in Minnesota for many years.

In 1930, the American Legion offered its services to the State Department of Highways in promoting, sponsoring, and installing school safety patrols throughout the state and has participated actively since that time. Other organizations have also cooperated in this movement such as the Parent-Teachers Association. In 1933 the state legislature authorized the organization of school safety patrols.

School Safety Patrol instructs and protects members of the student body in crossing streets and highways at or near the school. The students that make up the patrol volunteer their services and are selected by the school principal.

It has been found that the students in the lower grades perform this duty more successfully than others. Generally the Principal of the school is advisor of the organization. Through him the students are given the training.

Each summer the American Legion and Minnesota Highway Department hold a summer school patrol camp. Last year the two boys from Cook who were sent to the camp were James Lahti and Frank Parzyck.

This year the camp will be held at Legionville, Minnesota, on North Long Lake near Brainard. Two boys from Cook will again be selected by the Local American Legion Post. While at camp the boys are given the training which is necessary in promoting good Patrol systems.

The Cook Safety Patrol is made up of 10 boys from grades 6 and 7. Mr. Germ is their advisor.
